Brunswick Pool Tables In Stock and Quick Ship 2025:

I include the Brunswick game tables I know are in stock in Wisconsin, because I can order them and receive them within 10 business days.

All Brunswick prices include:

- set-up & delivery in Western Montana,
- New Tables Only: your choice of cloth color in the Championship 4066 cloth (with Teflon),
- and a Standard Accessory Kit in either the Brunswick Standard or Big Sky Billiard's Standard Custom Accessory Kit. You can see the items in the Standard Custom Kit [HERE](#).

The 8' Brunswick Winfield is a new table from Brunswick for 4,695.

This Winfield is **In Stock** and has a Nutmeg finish on solid hardwood.

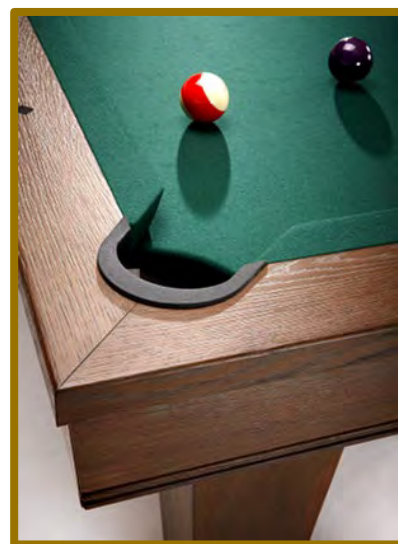

Other finishes available are Espresso and Coffee. It comes with the Brunswick Standard Kit & 4066 Championship with Teflon Cloth.

Upgrade to the Premium BSBS Kit for \$475 or the Brunswick Heritage Kit for \$250 (does not include a cover).

The rails on this table are a large 6" rail system and the sites are pounded copper.

This is one of the few under \$5,000 tables in a top brand that has the large 6" rail system with interior drop pockets.

The Brunswick 8' Hickory is available with a matching floor rack, the Brunswick Basic Accessory Kit (White Box), Championship 4066 Cloth (in your color choice) with Teflon, delivered & professionally installed for **\$4,975**. This is a special for limited time.

This Danish modern table is one of the few light-finished tables on the market. The Hickory is made from a Hickory veneer on hardwood which allows for a light finish. If you notice, there aren't

many tables in lighter finishes in the

market because it requires a special hardwood. The current special offer includes the matching Heritage Floor Rack, normally \$500.

The Brunswick 8' Allenton is \$4,295 (7' is \$3,995). The Allenton is available in Rustic Dark Brown, Tuscana, Espresso, and Driftwood. This table was recently showcased on HGTV as a beautiful, high-quality

pool table with a family-friendly price. All models have the tapered leg style except for the Espresso which is available in both the tapered leg and the ball in claw. All models but the Espresso Ball in Claw have a 7' model available.

The primary difference between this table and the Glenwood is that the Glenwood has Cavalier rails where the Allenton's rails are smaller, Antique-style rails and the Glenwood has SuperSpeed cushions where the Allenton has the Centennial cushion. All Brunswick's finishes are tough and made to withstand family play.

The Brunswick Allenton comes with the Brunswick Standard Play Pack and 4066 Championship Cloth with Teflon. Upgrades include substituting the BSBS Custom Standard Accessory Kit for an upcharge of \$150 or the BSBS Custom Premium Kit for \$475.

Espresso 8 ships June 15th. Driftwood 8 tapered in stock; all else available to ship from Brunswick

Price includes the Brunswick Standard Play Pack Accessory Kit and Championship 4066 Cloth (w Teflon) in choice of color

The Brunswick 8' Botanic has been a great seller this year and we're pleased to have several of them in stock in Missoula. The Botanic provides a timber frame, rustic feel without the "rustic table" price.

The 8' Botanic is \$4,695. The Botanic has Centennial cushions with 6" rails and hammered copper sites. If premium cushions are important (i.e., you've got some pool players in the crew), please look at the Glenwood, Canton or Black Wolf Pro. This is a great table for teens, families with limited pool experience in a more casual billiard atmosphere. **The 7' Botanic is now available for \$4,575.**

The Brunswick Brae Loch 8' pool table is \$4,675. This table has been one of the Brunswick favorites for many years. Originally called the Danbury, the inlay has always been one of the reasons customers love the look. Brunswick has never put the Super-Speed cushions on it, but with such a beautiful table, the Brunswick cushions work nicely. The table comes with 4066 Championship cloth and the Brunswick Standard Play Pack. You can upgrade to the BSBS Custom Kit for \$150. Don't forget the table cover to keep this table looking young. See your Brunswick Play Pack upgrade options [HERE](#) and the BSBS Custom Accessory Kit options [HERE](#).

Brunswick added the hand-hammered metal site to this table when they changed the finish to Nutmeg, which allows it to fit into a more rustic home even though it is an antique-style table.

Olhausen Billiard Tables In Stock and Arriving in Q2 2023 & Q3 2025

Olhausen is a manufacturer that makes all its pool & shuffleboard tables in Portland, TN. Olhausen has always put its best cushion, the Accufast cushion, on all its tables. Any Olhausen table can be made in a 7' model. No drawers are available with these models.

The 8' Americana and the 8' Belmont are our two best-selling models. Made of Tulipwood, the Belmont is available in only Espresso, Fossil Grey, & Cherry and the Americana in Matte Traditional Mahogany, Matte Pecan, and Matte Fossil Grey. The price includes delivery and installation in Western Montana, with the Standard Custom accessory kit. Please see the Blog Post about BSBS Custom Accessory Kits [HERE](#).

We like to order the Belmont & the Americana with Cavalier rails. Cavalier rails are 5" wide and replace a 2" wide standard rail. We believe that the additional \$110 is well spent to make this table look like a \$5,000 model. The width of the rails makes a table look substantial and are easier to play on.

The 8' Olhausen Belmont in Espresso: \$4,250; 7' Models are \$4,100

Current Stock (and arriving in June): In Stock: 7 Matte Pecan Americana; 8 Americana Fossil Grey; 8 Americana Espresso. Arriving in June: 7 Matte Pecan Belmont, 8 Belmont in Fossil Grey, Espresso, Traditional Pecan, and Matte Black Lacquer.

This is the most popular table sold in the Northwest this year. This table is also available in oak for those who need the durability of that product. Add \$995 for Oak: we have 1 Breckenridge Oak in stock.

This table is custom made in Portland, TN and set up by one of the best in the business. We have a saying that, "your pool table is only as good as the person who sets it up." Pool table set-up is an art and Lance is the most experienced installer in the state.
