Quality Family Shuffleboard Options from Brunswick Billiards:

Brunswick has excellent choices and prices, and these shuffleboard tables are available in 9’, 12’, 14’, and 16’ sizes. A new price list is in effect July 1, 2023. If I have the table in stock, I’ve listed both 2022 prices and the new “2023” prices (approx. \$500-\$1,000 more per table). A **“Shipping” month means that the table can ship from Brunswick in Wisconsin in that month (now, if it is “Available”).** **“In-Stock” means that it is in Missoula.**

**12’ 1-PC Avail to Ship in Oct
 9’ & 12’ 2-PC Avail to Ship Now**

Prices include White Glove Delivery & home installation in Western Montana within a 100-mile radius. We deliver from Eureka to Darby; Noxon to Bozeman, Helena to Dillon. Please see our schedule of Delivery Fees for areas outside the 100 mile radius on the last page of this PDF—the fees can often be split with another customer.

Shuffleboards come standard with Spangler weights (sometimes called pucks; Spangler is a brand), 2 cans of shuffleboard wax, and table sweep.

The Brunswick Delray is available in 9’ 12’sizes. This table is made entirely of black laminate and will hold up well to tough family use. The 9’ model has a 16” wide playfield while the 12’ table has a 20” playfield (preferred).

12’	\$5,075 (1-pc) / \$5,325 (2-pc)	1-Pc Avail in October / Available to Ship

The Delray shuffleboard table goes well with the Brunswick Black Wolf Pro (we recommend the Pro model)

The Brunswick Andover, one of our best-selling models, is available in 12' and 14' sizes in Driftwood, Rustic Dark Brown (RDB), and Espresso. The Scoreboard package is recommended on any shuffleboard table Brunswick produces except for the Canton. We have successfully installed a lighting package and score unit on the Canton locally, however, so if you need lighting, we can install it. **2-Piece boards are recommended for difficult installations.** An abacus comes standard with the shuffleboard table and is mounted on the rail.

The **Brunswick Canton** is one of our most popular tables and is available in 12' & 14' sizes. The pricing grid is shown below. The Canton features iron corner-pieces and iron stretchers running from leg to leg. The finish is Black Forest which is a family-friendly, rustic finish that will stand up to many years of play. We highly recommend lights to create a gaming ambiance for play. The lighting package, which includes 2 lights mounted to the rails (switches on each light), when purchased with the table is available for \$895 at the time of purchase, normally \$995.

Brunswick does not recommend the Scoreboard for the Canton, but there is an abacus built into each end in the rail of the Canton (shown below). The turnbuckle stretchers on this table are solid iron

and the corner castings are made of the same material. The finish is sturdy and will hold up well for many years. We have successfully mounted a scoreboard and lights to this model.

Add \$895 for lights or a scoreboard.

This table comes only in a 12' model for the time-being, but it matches many of the Brunswick game furnishings. The 12' model is \$8,499. Remember, these tables give lifetime warranties to the original owner.

The Brunswick Merrimack is a beautiful, rustic Shuffleboard available in 14' & 16' lengths. Brunswick has recently discontinued the 14' model which is a shame. I'm surprised because it's a great model and we sell plenty of them, but apparently only here in the Northwest. We have two 14' models remaining and that will be the final two in that size. The 16' Merrimack is the only Brunswick shuffleboard currently available in the 16' size. The Merrimack has a built-in abacus & comes with Spangler weights, wax, and a sweep. Lights are highly recommended (\$895) at the time of purchase. Please call us if you believe that you need to have your entry evaluated prior to delivery.

The Brunswick Brixton is available in 12' & 14' lengths. This table comes in a unique and beautiful Driftwood finish and fits well in any game room. Please see Stock Status for availability.

Pool Tables that come in the Driftwood finish include: The 7' & 8' Allenton. The Nutmeg Finish is the same hue, so it is complimentary with the Driftwood finish. The pool tables that come in the Nutmeg finish are the Dameron & the Soho.

Budget Minded Shuffleboard with Brunswick Quality Built in:

The Brunswick Concord is available for \$5,299 and will be a top-quality table for your family for many years. The difference between this table and the Andover is that the Playfield is 16" wide instead of 20" wide, but it still has the 2.5" thickness and, more importantly, the 1/4" polymerized resin surface that is necessary for proper play. The cabinet is a mix of solid wood and MDF veneers and Brunswick has simplified the design to make it easier to produce thereby saving costs.

Aesthetically, this table comes in the very popular Nutmeg and Chestnut finishes. You can match this shuffleboard with an Allenton to keep a pool table / shuffleboard combination for under \$9,300.

Our prices include delivery & Installation.

The 12' Brunswick Concord (16" wide Playfield): \$5,299

The Bowling pins are \$165 when purchased with the table and \$185 purchased later. Bowling pins are available now. The Accessories below arrive with a new shuffleboard.
