The 8' Brunswick Glenwood in Rustic Dark Brown is \$5,250. This pool table is the least expensive table in the Brunswick line to have SuperSpeed Cushions on it. SuperSpeed cushions are the

premium cushion in the industry and are warranted for life. This Glenwood is **available now** and has a Rustic Dark Brown finish on solid hardwood. The rails on this table are Cavalier style which

makes them a wider 6" and the sites are done in a white diamond. The finish shown in the picture to the right is the Rustic Dark Brown shown on the Botanic rail. The rails on the Glenwood will be curvier but this is a close-up of the finish.

Shown Left is the Glenwood Espresso with Round legs available in stock in a 7' model.

This is a beautiful option for those who need a smaller table. We've been waiting since January for this model, so we're glad to have it.

Most Brunswick pool tables are out of stock until well into 2022. We are expecting the following Brunswick tables (month expected is listed or stamped "In Stock" if it has arrived in our inventory):

Glenwood 8' Two Tone w Talon Legs & Shield Pockets \$5,250

Glenwood 8' Two-Tone with Tapered Legs & Shield Pockets (this table has arrived and is available for delivery): \$5,250

"Available" means that it is available to ship from the Brunswick Billiards warehouse in Wisconsin (usually a 10-Day lead time).

"In Stock" means that it is in stock in our storage facility in Missoula.

The Brunswick 8' Botanic has been a great seller this year and we're pleased to have several of them arriving in late-March for a late April delivery. The Botanic provides a timber frame, rustic feel without the "rustic table" price.

The 8' Botanic is \$4,450. The Botanic has Centennial cushions with 6" rails and hammered copper sites. If premium cushions are important (i.e., you've got some pool players in the crew), please look at the Glenwood, Canton or Olhausen Breckenridge. This is a great table for teens, families with limited pool experience in a more casual billiard atmosphere.

The Brunswick 8' Canton is \$7,195. With heavy iron stretchers running the length of this table, it gives the industrial feel to any man's cave. The Summer Forest finish is a heavy-duty, long-lasting finish that will survive many family events. We currently have two of these tables available.

Brunswick Heritage

Finally, the Brunswick 9' Centennial in Rosewood is \$13,750; this table will arrive in **AUG 2022.** It will be set-up & delivered with the Centennial Play Pack and Simonis or Centennial Cloth.

This amazing pool table is an icon from the 1940's & 50's; the Centennial is reborn with material refinement allowing the antique design to be combined with technological improvements to deliver both commercial grade performance and an outstanding home design. This table will be sought after by collectors as well as the discerning designer for use in multi-functional environments.

This table won't last long, so if it suits your environment, contact us today to reserve one of the few that will be available this year.

Olhausen Billiard Tables In Stock and Arriving in Q4 2021 & Q1 2022

Olhausen is a manufacturer that makes all its pool & shuffleboard tables in Portland, TN. Olhausen has always put its best cushion, the Accufast cushion, on all its tables.

The 8' Americana and the 8' Belmont are our two best-selling models. Made of Tulipwood, the Belmont is available in only Espresso, Fossil Grey, & Cherry and the Americana in Matte Traditional Mahogany. **Both tables are \$3,995** and include set-up and delivery in Western Montana, with the Standard Custom accessory kit. Please see the discussion of Accessory Kits below.

We like to order the Belmont & the Americana with Cavalier rails. Cavalier rails are 5" wide and replace a 2" wide standard rail. We believe that the additional \$110 is well spent to make this table look like a \$5,000 model. The width of the rails makes a table look substantial and are easier to play on.

The Olhausen Belmont in Espresso: \$3,995

We have the Belmont in a 7' Model in Matte Pecan in stock.
We also have an 8' Americana in Matte Fossil Grey on order for arrival in mid-May

The 8' Olhausen Breckenridge (\$6,695) with a drawer is \$7,460. This table is done in furniture-grade pine with dovetail construction, buffalo nickel sites and it can be ordered with a drawer for cue and ball storage. This is the most popular table sold in the Northwest this year. I will receive my next order of Breckenridge pool tables in the Timber Ridge finish (below) in late January. I will receive several more of the Matte Breckenridge (dark brown) finish in the 8' models in mid-February.

These prices include set-up & delivery in Western Montana. We have a saying that, "your pool table is only as good as the person who sets it up." Pool table set-up is an art and Lance is the most experienced installer in the state.

The 8' Olhausen Remington in American Maple with a drawer for \$6,450. This table has been one of our favorite models for many years. This table is perfect for the man-cave, cigar room, library-type room and its style will stand the test of time. It comes with a drawer for gun, I mean pool cue storage 😊.

This is the finish the Remington we have in stock is done in, the American Maple on Maple. This is a solid wood table and one of the nicest that Olhausen makes. The table below is shown to demonstrate the drawer, NOT the finish.

IN STOCK

Prices include a basic accessory kit and your choice of color of Championship 4066 Teflon cloth. I have included a discussion about cloth type and upgrades in a link below. The accessory kits differ between Brunswick and Olhausen, so I've also included the accessory kit information in the links below as well.

The basic Brunswick Accessory kit isn't great, so we have a basic custom-created kit for only an additional \$75, or you can upgrade to the Brunswick Heritage kit, or the Brunswick Centennial Accessory kit.

Please see our PDF on Conversion Top options for Table Tennis Conversion. We also have Cocktail Cabinets with 60-in-1 Pac-Man/Donkey Kong games for \$1,895; arcade style cabinets are \$2,425.

The prices to upgrade to the Brunswick kits differ based on the type of table you purchase (color-coded in the Blog post).
