Olhausen Billiard Tables In Stock and Arriving in Q4 2022 & Q1 2023

Olhausen is a manufacturer that makes all its pool & shuffleboard tables in Portland, TN. Olhausen has always put its best cushion, the Accufast cushion, on all its tables.

The 8' Americana and the 8' Belmont are our two best-selling models. Made of Tulipwood, the Belmont is usually available in only Espresso, Fossil Grey, & Cherry and the Americana in Matte Traditional Mahogany. **Both tables are \$3,995** and include set-up and delivery in Western Montana, with the Standard Custom accessory kit. Please see the description of Accessory Kits on the last page.

We order the Belmont & the Americana with Cavalier rails. Cavalier rails are 3" wide and replace a 2" wide standard rail. We believe that the additional \$110 is well spent to make this table look like a \$5,000 model. The width of the rails makes a table look substantial and they are easier to play on.

The 8' Olhausen Innsbruck in Oak w Breckenridge Finish w a Drawer: \$6,995. This is a special order because I ordered this table for a customer in Big Sky and I loved it. It has a drawer, which is a great addition to this table (not shown here), it is solid oak, and has Mother of Pearl Sites (a \$300 upgrade). Normally \$7995, I am offering an Owner's Special of \$6,995. This price includes Set-up, Delivery, Championship Cloth & a Basic Custom Accessory Kit. Upgrades include Simonis Cloth (\$300) and a Premium Accessory Kit (\$350). Add a Conversion Table Tennis top for \$395.

The 8' Olhausen Remington in American Maple with a drawer for \$6,499. This table has been one of our favorite models for many years. This table is perfect for the man-cave, cigar room, library-type room and its style will stand the test of time. It comes with a drawer for gun, I mean pool cue storage 😊.

The table shown Right is American Maple on Maple finish and it is on the Remington we have in stock. This solid wood table is one of the nicest that Olhausen makes. The table below is shown to demonstrate the drawer, NOT the finish.

The 8' Olhausen Breckenridge (\$6,995) with a drawer is \$7,795. This table is done in furniture-grade pine with dovetail construction, buffalo nickel sites and it can be ordered with a drawer for cue and ball storage. This is the most popular table sold in the Northwest this year. I will receive my next order of Breckenridge pool tables in the Timber Ridge finish (below) in late January. I will receive several more of the Matte Breckenridge (dark brown) finish in the 8' models in mid-February.

These prices include set-up & delivery in Western Montana. We have a saying that, "your pool table is only as good as the person who sets it up." Pool table set-up is an art and Lance is the most experienced installer in the state.

The 8' Olhausen Youngstown in Youngstown Grey with a Drawer is \$8,995: This is a solid Oak table with the popular Fossil Grey Finish (also called the Youngstown finish), iron corner castings, iron cross supports, a storage drawer. Made to fit in the modern home.

Prices include a basic accessory kit and your choice of color of Championship 4066 Teflon cloth. I have included a discussion about cloth type and upgrades in a link below. The accessory kits differ between Brunswick and Olhausen, so I've also included the accessory kit information in the links below as well.

The basic Brunswick Accessory kit isn't great, so we have a basic custom-created kit for only an additional \$75, or you can upgrade to the Brunswick Heritage kit, or the Brunswick Centennial Accessory kit. The prices to upgrade to the Brunswick kits differ based on the type of table you purchase (color-coded in the Blog post). Please continue to Page 12.

Please see our PDF on Conversion Top options for Table Tennis Conversion. We also have Cocktail Cabinets with 60-in-1 Pac-Man/Donkey Kong games for \$1,895; arcade style cabinets are \$2,425.
