Shuffleboard Tables Available in 18' to 22' models

RUSTIC:

Brunswick Billiards currently doesn't offer an 18' model, and the Championship rustic models don't have the same appeal as the Olhausen models in the rustic style. ALL 22' & 20' Olhausen shuffleboard tables are made with a split playfield. Olhausen Billiards is a custom manufacturer and they have been making pool and shuffleboard tables for many years in furniture grade models, so we prefer them for the rustic aesthetic. Olhausen custom orders are 8-10 weeks for delivery.

Shuffleboard grid prices includes white-glove set-up & delivery in your home with a typical entry. If you have a stairwell with a 90 degree turn or an entry where we must plan to crane the darn thing in, please let us know right away. Also included are the shuffleboard weights (pucks), 2 cans of wax and a table sweep.

Scoring options include an abacus mounted on each side (recommended) or electronic score units. The best scoring mechanisms are produced by Champion Shuffleboard, and we can adapt them to an Olhausen table in most cases.

The add-ons include the wall-mounted abacus for $195 which is done to match the table and, if you want them, the Bowling Pin Set for $150.00. This is the Youngstown finish which is a Grey wash, so you will see the wood through the finish.

The Olhausen Tustin shuffleboard table looks like the Durango, but the legs sit on a platform and have a scallop detail on the leg edges. This table done in Maple with a matte distressed finish is shown below. This is a great example of the custom work that Olhausen can do. Like the Durango, the Tustin has iron stretchers and decorative iron bolts, but the cabinet is simpler with a corner trim piece instead of the dovetail detail.

CUSTOM BOARDS AND FINISHES

The Tustin shuffleboard table below is done in Maple with a Matte Graphite Distressed finish. This finish is a $360 upcharge, but well worth the look. Notice that the board has been custom finished. Though this is a special order, the boards can be stained in darker finishes for $500. Logos are available and there is no charge if art is provided in vector format.
